### Read 2 Corinthians 5:17-21

How do the themes in this Scripture connect with what Jon shared? How do they intersect with your life?

Have you ever had a moment in conversation where you felt like you stepped into what God was already up to?

What prevents you from slowing down and noticing God and people more?

Why do you think our culture has such a negative perception of the word “evangelism?”

What excites you about sharing your faith?  
What makes you nervous about sharing your faith?

Can you share a time when you were inspired by radical hospitality?

How can we practice the art of hospitality more frequently and effectively in our context?

Application

Take a moment to write the names of three people who don't yet know Jesus. Collect the names and spend some time praying for them.

## Read Acts 1:8

What fears come up when you think about God wanting to use you to reach others?

In what way(s) does the Holy Spirit empower us to share our faith?

What do you think about the idea that God can use unlikely people?

Have there been times when you have viewed people as projects? What do you think Danielle meant by that statement? Have you seen evangelism practiced like this?

When it comes to the idea of God using us to reach others, what kind of unnecessary pressure do we put on ourselves?

Think back to the person that God used in your life to invite you into a relationship with Him. What made their witness so compelling and attractive to you?

What would it look like for you to change your posture by asking the questions that Danielle suggested like, "How can I serve? How can I love? How can I connect?" in your local context?

### Application

Spend some time as a group or in smaller groups of two or three, praying that the Holy Spirit would give you:

**Love** (Romans 5:5)

**Boldness** (Acts 4:29)

**Fearlessness** (Romans 8:15-17)

**Power** (Ephesians 3:14-21)

**Wisdom and Opportunity** (Colossians 4:2-6)

**What stood out to you from what Jay shared? What inspired and challenged you?**

### Discussion Time

## Read Luke 10:25-37

How does the story of the Good Samaritan connect with what Jay shared in the session?

Do we define neighbour in our culture differently than Jesus defines neighbour?

Praying for people by name, getting to know your neighbours, extending an invitation etc. These are all things that you can do. What would it look like to take the next step in any one of these areas as a group or individually?

Jay made the statement that, "Evangelism moving forward will be mostly worked out and lived out through hospitality." What do think about that statement?

Why do you think meals were such a significant part of Jesus' ministry?

Given your own context, what are some practical ways you can get to know your neighbours?

Are there needs in your group that you can start to meet in a practical way, together?

### Application

As a group, commit to take a step towards sharing your faith. You might find it helpful to write it down.

**I commit to:**

#### Examples:

- Invite a friend to Alpha
- Learn the name of a neighbour
- Host a meal at your house with your neighbourhood
- Take a co-worker to lunch
- Write a note of encouragement to a friend who doesn't know Jesus

Before closing, spend some time praying for one another for courage and boldness to share your lives and your faith with others.
